

The **OFFICE Account** is designed for marketing your office under one account. This account is perfect for the broker/owner who wants to brand the office, while highlighting the individual agent on the banner.

By making a small investment in your office, you give ALL your agents a unique marketing tool to get introduced to their clients' contacts in the beginning, middle, and at the end of the transaction! Our Listing, Open House, and Moving announcements are a professional yet subtle way to get your OFFICE branded!

Owners and Office Managers love to use AnnounceMyMove as a **recruitment tool!** New agents can use a Custom Banner to announce to their friends and family that they have joined your office. Most of the time, new agents get their first listing or sale from their contacts.
